INSTANT REPLAY

"Holy shit!," Marla exclaimed, shocked into profanity by what was playing on our television. She was shocked, but fascinated too. I could tell by the way her eyes never left the screen. I just grinned, pleased that my little surprise had worked so well. It had all started when we went over to our next-door neighbors' house for the football game last week. It was our regular Sunday ritual during the season. We'd all get together and drink a few beers, get loud and loose, and cheer on our favorite football team. John and Sheila were good neighbors and very good friends, and we always looked forward to a really fun time.

This particular Sunday my team was losing bad and the girls decided to go out at halftime and pick us up some more food. John was in the kitchen talking to some business partner on the phone. I was absently picking through his video collection, and spotted one that said "J and S Get Naked!" in big, bold script. I knew I shouldn't, but my curiosity got the better of me and I popped it into the VCR, hoping like hell John would stay on the phone for awhile. My first glimpse of a naked Sheila on the big screen confirmed what I'd suspected for years—that woman had some body! Beautiful round tits, a carefully trimmed mound, and some of the biggest pussy lips I'd ever seen.

What I hadn't suspected was that she was such a little actress. Facing the screen, she dribbled spit on one finger and, winking slyly at the camera, proceeded to tweak her nipples into hard little marbles. Then, without wasting too much time on preliminaries, she opened her lips up wide to the camera. A close-up of her pussy showed that she was enjoying the hell out of her little show. She was already slick with juice. Dipping her finger down into her cunt, she brought it back up and exposed her hard little knob, circling it wetly. Then she smiled at the camera and brought her finger up to her lips, suckling loudly on her sweet nectar. The picture on the screen jiggled wildly, and I wondered what John was doing with his other hand. I could imagine that he was doing the same thing that I was thinking about. My cock was already swollen in my jeans from watching Sheila's little show. But it looked like the on-screen action was just beginning. Sheila smiled seductively into the camera. "Fuck me, baby," she yelled hoarsely while stroking her open cunt.

I wasn't surprised when the camera shut off and switched angles. Now I could see Sheila spread-eagle on a big king-sized bed, still sucking on her finger and smiling. John appeared by her side, stroking his hard dick with one hand and reaching for her melons with the other. Seeing him on the screen reminded me of where I was, and I quickly shut off the VCR and ejected the tape. I didn't want to get caught watching John and Sheila's little homemade porn video. On the other hand, I sure wanted to see more, and I was betting that Marla would too. I was saved from trying to figure out how to gracefully bring up the subject when John walked into the room. One look at the tape in my hand and the bulge in my pants was enough to let him know what I'd been doing. He grinned at me, not embarrassed at all.

"Like what you see, huh?" he asked. "She's a hot little honey, isn't she?"

I nodded, and then shook my head.

"Man, how'd you talk her into making movies like that?" I asked. "I'd love to get Marla to go along with something like that."

Yeah, fat chance, I figured. Marla was no prude but I could not imagine her strutting her stuff like Sheila had.

"Why don't you take the tape home and let her see what she's missing," John suggested. "It might give her some ideas, you never know."

John licked Sheila's ass and made his way towards her twat.

As Sheila got off, she threw her head back and came hard.

"I doubt it," I muttered, "Shit, Marla's never even seen anything like that in a fucking dirty movie before, let alone in real life."

My voice trailed off as I heard the car pull up in the driveway.

"Hey, it worked for me and Sheila," John said, lowering his voice. "I brought home a fuck tape for the both of us and man, did she get off on it." He waved his hand at the television. "Well, you saw how much she liked it, eh? What the hell, give it a try, you got nothing to lose, right?"

Although I secretly had my doubts, I quickly stuffed the video in my coat pocket, all smiles for Marla and Sheila and their chips and dip. Seeing Sheila now in a new light, it was hard to keep up my end of the conversation. And hard to keep another part of me down. I could hardly wait to get Marla home and share my discovery with her.

I didn't have long to wait. My team lost this one big time and we were out of there in a little over an hour, John winking at me over Sheila's shoulder as we said our good-byes.

Once inside the house, I didn't waste any time.

"Hey honey, why don't we watch the video I picked up?" I asked nonchalantly.

She slid out of her shoes and coat and plopped down on the couch.

"What movie do you have?"

"Let's see," I suggested, and popped it in. After her first bout of swearing, she was silent, just taking in Sheila's show. I was wondering if she liked it. I couldn't tell much from the way she sat so still, staring at Sheila's gaping snatch. I knew what it was doing to me, though, and I took her unresisting hand and laid it on my hard shaft. She sucked in her breath, not looking away from the screen, as she pulled my swollen dick out of its confines and started stroking me, just the way John was stroking himself on the screen. It was amazing!

The combination of watching our neighbors about to fuck and being jacked off at the same time was very hot. Without any preliminaries I pulled Marla in front of me, still facing the screen. I fumbled with her jeans, yanking them down to her knees. I positioned her on her hands and knees in front of me, and she pushed her ass back up against my swollen cock. I could feel the need radiating from inside her. In fact, I'd never seen her so fucking hot in my entire life. It was a special moment that I will never forget as long as I live.

I pushed the head of my shaft up to her exposed cunt and could feel her slickness already soaking me. She shoved backwards again and positioned herself suddenly on my hard and raging rod, at the same moment John shoved deep into Sheila's open pussy. I groaned at the sheer pleasure of feeling my wife's hot cunt tight around my aching shaft, a pleasure intensified by watching Sheila's wet cunt taking it too.

I started slamming Marla, my balls slapping her ass with each thrust, and she groaned every time I shoved it in. She kept her eyes glued to the TV. I didn't know if it was the sight of John's big dick or Sheila's tits bouncing with every thrust, but she was incredibly turned on. Her pussy was swallowing me whole, and the heat was driving me wild. As we slammed harder and faster, I was totally in heaven. She kept shoving her perfect ass cheeks against my crotch, and yelled in pleasure with each stroke.

I saw Sheila go off then, throwing her head back and screaming as she came hard. Watching Sheila arched in ecstasy put my horny little wife right over the edge. With a scream to match Sheila's, she tightened her pussy hard around my shaft and came in huge, bucking waves. That was the end of me and John. We both shot our loads at the same time, spewing hot come into our wives' eager cunts, groaning with pleasure. Marla's cunt was up to the challenge. It seemed to suck the juice right out of my rod, and then sucked and sucked some more.

When I finally collapsed in a heap on top of my still shuddering wife, I was wasted, but more satisfied than I'd been in a long time.

THREE OF A KIND

The whole thing started about six months ago, when I came home early and found my boyfriend, Greg, in bed with my roommate, Carol. Actually, they weren't really in bed, they were on the couch. After I threw the bum out, Carol and I sat down for a serious conversation about how my best friend of five years could do such a thing to me, and she finally told me she was all screwed up in the head and was seeing this counselor who specialized in gender preference conflicts. Carol had never bothered to tell me that she had always been attracted to women, and even had a hot lesbian affair in college.

"But, you have a boyfriend," I said to her when she told me of her attraction to women.

"I like men, too," she confessed. The two of us ended up talking half the night, and somehow she talked me into a plan that I wouldn't have gone along with if I wasn't totally convinced that Greg had been cheating on me right and left all along.

Anyway, we put our heads together and decided whichever one of us he called first would agree to meet him, but we'd both show up and give Greg the surprise of his life. Three days later, he called begging my forgiveness, which I reluctantly gave, and we made a date to meet the next day at noon.

That morning, Carol called in sick, and then we sat around drinking coffee. For the first time, I had doubts about what we were about to do, since it wasn't like we could jump into bed at 11:45 and fake things for a few minutes. Unfortunately, Greg was not exactly known for his punctuality. He could show up early or late.

"You're not chickening out, are you?" she teased, "You might actually enjoy it."

I smiled across the table at her. Carol was a tall, thin brunette with a slim figure. She was very attractive. The sort of girl who wore loose baggy clothing and never fixed herself up. She was very natural looking. Until the last few days, I'd never looked at her as a potential sex partner. Since she told me her big secret, I'd made a definite readjustment in my thinking. After all, what fun was revenge if you didn't enjoy it?

"Are you going to take the first shower?" she asked around 9:30 a.m. "Why don't we take one together?" I suggested. Carol smiled her reply, and a shiver of excitement ran up my spine as she followed me into the bathroom. I turned to face her, and we both stripped our nightclothes off before Carol leaned into the tub to start the shower. Once she had the water adjusted, she eased her way in and held her hand out for me.

"Relax," she said, "it'll be great."

The second I joined her, Carol started stroking my back, massaging her way down my shoulders. Her touch electrified me, and my skin broke out in goose bumps. By the time she reached my hips, I could feel the tips of my tits beginning to tingle. For the first time, she moved in close and rubbed her curves over mine in a gentle, drugging caress. The sensation of her taut nipples rubbing across my skin filled me with an unspeakable desire. Carol's magical hands traveled closer and closer to my own tits, as my nipples went stiff with arousal. Automatically, I started moving with her. The feel of her crisp patch of pubic hair brushing over my ass—which was such a turn on—had my pussy getting all creamy. When she finally began trailing her fingertips over my tits, I heard myself let out a little whimper. She fondled and caressed the heavy mounds, occasionally giving my nipples a gentle squeeze. Surrendering to this pleasure, I leaned back against her and I felt her tongue at the nape of my neck. Carol licked her way around my shoulders until we faced each other, and our tits met in a sensual embrace. Still rubbing our bodies together, I closed my eyes as her lips brushed against mine. This contact felt so intoxicating, within seconds I was returning her kiss. My tits mingled with hers, as my hands began exploring the soft skin of her ass. Her soft hands were at the small of my back, pressing me very close as she grinded her hips against mine.

Carol's hot lips kissed a path down my neck, sucking on my nipples for several moments before kissing her way down my belly. All my nerves throbbed in anticipation when her mouth trailed over my

Carol used her hot lips to suck on my tits, and then slurped my nipples.

snatch. Her hands spread my legs apart and she started kissing the delicate and sensitive skin of my upper thighs. I held my breath and waited for her to move back to my aching pussy. I let out a long sigh of pleasure when her tongue finally snaked along my outer lips. I was so aroused, I was pushing my pussy into her face as she brought me right to the brink of orgasm with a few skillful sweeps of her tongue across my soaking wet and ready clit.

Then she plunged two fingers up my needy hole, and I couldn't keep myself from whimpering out loud. The climax peaked in a long chain of convulsions as her tongue swirled over my clit. My entire body was shuddering with release when I felt her stand up next to me. I slumped into her arms and we held each other for a few moments.

We were standing there under the water, soaping each other's bodies with passionate abandon, when Greg walked in. He could see us clearly enough through the steamy shower door, but instead of flying off totally traumatized, he started taking his clothes off! Flustered by this turn of events, I tried to pull myself out of Carol's embrace, but her mouth claimed mine in a hungry kiss.

"You'll love it," she whispered into my ear as I heard Greg slide the shower door open. Within seconds, I was sandwiched in between them, their bodies rubbing over mine with greedy insistence. Greg was kissing the back of my neck, while Carol had gone back to sucking on my tits. I could feel his hard cock poking into me, so I turned around and grabbed it, and Carol and I both knelt down and started working on his long and rock-hard dick. After a while, Carol moved down to lick and suck on his balls. Suddenly, Greg helped both of us to our feet. Carol began licking his tiny sensitive nipples. I felt his hand slip between my legs, searching for my slick channel. I knew from the way Carol was whimpering that he had the fingers of his other hand inside her pussy, as well.

Carol and I were both ready to be fucked, and Greg wasted no time in taking advantage of the situation. I bent over, and he slid his rod into me from behind. I was so pumped up that it took me very little time to get off. After a few minutes, Greg pulled out of me and turned his attentions to Carol, who was now bent over. While he fucked the shit out of my best friend, I licked her tits and she moaned in delight.

After a few minutes, Greg pulled out of Carol and when we approached him, he dropped cum on both of our faces. As Greg watched, Carol and I licked the creamy sex treat off of each other. After that, I found it a little easier to forgive Greg. As long as we can do it again.

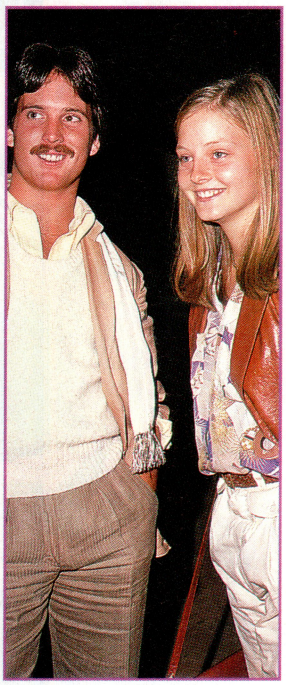
Sex, Scandals & Scoundrels

Gay Pride?

The longtime rumor that actress/director Jodie Foster is a twat-loving carpet-muncher has been around for years, but it received further credibility when a book written by Foster's bitter older brother, Buddy, recently hit the stores. *Foster Child* reportedly tells about Jodie's alleged affair with an older woman and says that she has always had an active lesbo sex life. We hope pictures are included. There is also a chapter in the book in which little Buddy writes "I just feel that she (Jodie) is gay."

Parody photo: Jodie Foster's head stripped onto model's body.



Buddy Foster (center, with sister Jodie and right, as a child actor) shot his mouth off in a book that reportedly confirms that the actress is, indeed, a carpet-muncher.

While crazy-looking Bruce Willis (above) sucks as both an actor and singer, the word is he once made a pretty decent living as a male escort.

He's Just A Gigolo?

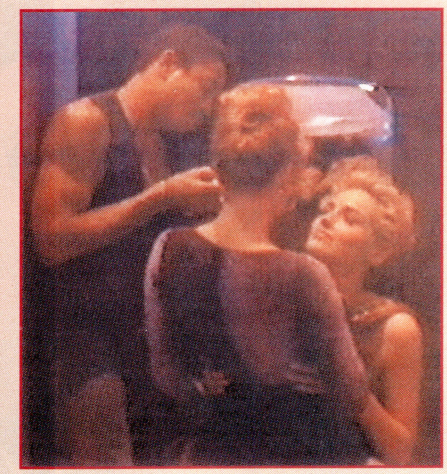
Before he became the least talented successful actor in history, Bruce Willis reportedly made his living by taking rich old ladies to parties. According to published reports, Willis used to work as a male escort and possibly a gigolo. We hope he was better at dating than he is at acting. Nobody knows for sure if Willis ever ended up fucking any of these women, but, as long his clients didn't have to sit through any of his painful movies, we're sure they were very happy.

Parody photo: Bruce Willis' head stripped onto model's body.

Parody photo: Sharon Stone's head stripped onto model's body.

Bi Sharon?

She became famous for *showing* her snatch, but now professional piece of ass Sharon Stone just may be looking to *lick* some. Recent news reports allege that Stone is so pissed off about her fucked up relationships that she's been partying it up with sexy babes in clubs. Rumors also say that Sharon recently greeted singing carpet-muncher k.d. lang, who's world famous for her love of babes, with an on-the-lips kiss and a long hug.



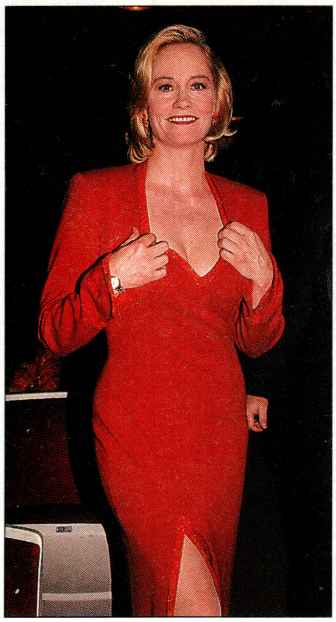
Another rumor has Stone allegedly being caught in the ladies' room at the plush Beverly Hills Hotel fondling a young nurse and telling her what a great body she has. "I feel so comfortable with women," Stone reportedly told a friend. "I don't have to fulfill anyone's sexual fantasies." Except ours, Sharon.

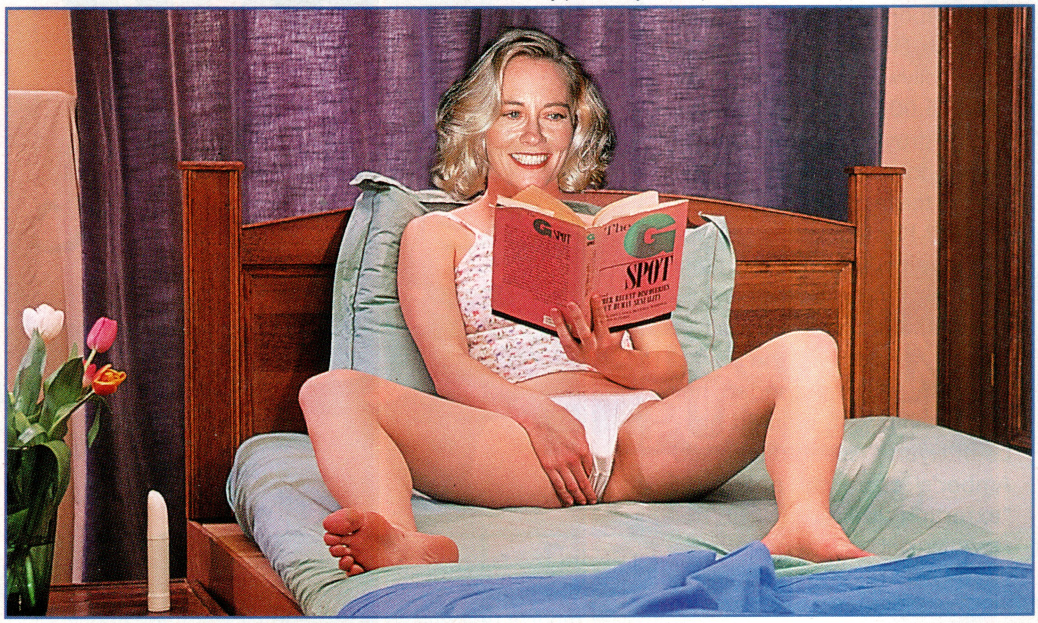
After watching her lesbian antics in **Basic Instinct** (above right) everyone was hoping that Sharon Stone really was a gal who got off on pussy and tits. According to published reports,the hot blonde has decided to start fucking babes!

Screwing By The Book

It apparently has taken over 20 years, but Cybill Shepherd reportedly says that she has the art of getting laid down to an exact science. The 47-year-old TV cock-stiffener claims that her new-found fuck expertise comes from the amount of hours she spends reading self-help sex manuals. You'd think at her age she would know where everything goes. Shepherd, who reportedly taught Elvis Presley how to eat pussy, is quoted as saying that the key to great sex is "loving your own body." Having seen her in those tight dresses, we can see how she does it.

Parody photo: Cybil Shepherd's head stripped onto model's body.





Still totally fuckable at 47, Cybill Shepherd (left) says that reading self-help manuals is the reason she's so good at sex today.

Parody photo: James Woods' & Missy Crider's heads stripped onto modes' bodies.

According to a former flame of James Woods, the actor's current girlfriend Missy Crider (above right) better be ready for some kinky sex acts, including some wild three-way action.

James Woody

James Woods has played his share of sick fucks on the big-screen, but his former girlfriend reportedly says that he requires little acting for those roles. According to published reports, soap opera actress Marni Taylor, who dated Woods for four years, says that the actor loves to screw in front of an audience (probably bigger than the one that saw his last movie) and has "an obsession with threesomes." A friend of Taylor's was quoted as saying that the soap star even reluctantly agreed to fuck Woods and another woman. There are also reports that the Oscar-nominated actor allegedly made her watch from a closet while he had sex with Taylor's friend. Maybe he was preparing for his next role?

Parody photo: Farrah Fawcett's head stripped onto model's body.

Evil Angel?

She's still fuckable at 50, but it now seems that Farrah Fawcett's *mind* is also incredibly screwed. According to press reports, the former queen of jiggle TV was accused by a sexy Hollywood starlet of stealing $75,000 worth of clothes and destroying $2,400 worth of nude photos in a jealous rage. Wasn't this a plot from *Charlie's Angels*? Kristen Amber, an up-and-coming actress, reportedly filed a criminal complaint in which she accuses Fawcett of having a part in the theft. Fawcett, who has ended her relationship with bloated has-been Ryan O'Neal, dismissed Amber's claim as a two-bit "extortion attempt," but her recent public appearances have left people wondering about her mental capacity.

Despite the fact that she's still considered the fantasy fuck of many men, reports indicate that since she broke up with Ryan O'Neal, Farrah Fawcett has been a bit fucked in the head. There are even reports that she stole the clothes and nude photos of a young model.

HOLLYWOOD INGENUDES

JAMIE PRESSLY

Hollywood just loves a fresh young face and a hot nubile body. Now **Hollywood Ingenudes** *shows where to find all the rising starlets as they strip. Sync your VCR counter clock with the* **HIGH SOCIETY** *time code, and fast forward your way to real satisfaction.*

POISON IVY: THE NEW SEDUCTION

THIS MONTH: The first two *Poison Ivy* movies (starring Drew Barrymore and Alyssa Milano) were hot. If you want the most nudes for your money, however, you don't want to miss Jamie Pressly showing her body in nearly every scene in the third installment.

Jamie exposes her perky tits to the elements early on ...

before using them to seduce Michael Des Barres...

into several wild flings in his very own mansion.

Trash Talk

Some are gifted geniuses, and others are lucky idiots. But when the stars talk about sex, HIGH SOCIETY *is always ready to listen:*

"I don't always wear underwear. When I'm in the heat, especially, I can't wear it. Like, if I'm wearing a flowing dress, why do I have to wear underwear?"

-Naomi Campbell

Talking about her distaste for undergarments.

FORTUNE TOLD

Gypsy Soul

Porn star Raylene comes from genuine gypsy stock, and she regularly celebrates her proud ethnic heritage by taking herself in and out of the traditional gypsy garb. This gorgeous dark angel still has the classic look of any caravan gal, and we would have gladly lined up to put our money down back when she still traveled the old country. Whether telling fortunes or flashing those mammoth tits by firelight, Raylene is blessed with the kind of exotic beauty that would become legend in the small towns frequented by her ancestors. Raylene has also proven herself worthy of some big city attention, as she puts that hot cunt to work in many fine fuck-flicks. Long live the gypsy heritage!

Kari Wuhrer

SLIDERS STAR SLIPS OUT OF HER SHIRT!

(Above) In *Sensation*, Kari wowed fans by showing her tits in a wild sex scene.

There are a lot of ex-MTV veejays trying to make it in Hollywood, but Kari Wuhrer has a clear strategy. She regularly strips down to show the same hot body that a whole generation of horny males lusted after on their televisions. This sexy gal made a real impact when she strapped on a bikini and began hosting MTV's *Spring Break*.

Now it seems that fans can still see Wuhrer regularly on the small screen. She was first added to the cast of the sci-fi show *Sliders* this year when the troubled series was about to be canceled by the FOX network. The Sci-Fi Channel has announced, however, that they will be producing additional episodes with the complete cast, including Wuhrer.

Kari began her acting career with chaste roles in films like *Beastmaster 2: Through The Portal Of Time* and *The*

Carey Lowell

LAW & ORDER & T & A!

Carey Lowell made her big-screen debut as a nameless fashion model in the 1986 Robin Williams comedy *Club Paradise*. But as a fashion model herself, Carey was already one of the biggest runway names of the '80s. At six feet tall and possessing an incredible bod, it certainly

seemed like Carey was even born to be a model. Carey has also survived a difficult screen career to finally earn a place in the homes (and laps) of millions, starring as sexy Assistant D.A. Jamie Ross in NBC's long-time hit show *Law & Order.*

Adventures Of Ford Fairlane. She also kept her clothes on in the 1993 TV series *Class Of '96*, a *90210* knock-off that didn't make it to graduation year.

Then, Kari got serious about flashing her goods. 1994's *Boulevard* immediately established Kari's uninhibited ways, as she stripped down for some major lesbian love-making with co-star Rae Dawn Chong. Then the crime thriller *Sensations* featured Kari taking off her clothes for multiple fuck scenes with creepy good guy Eric Roberts. She was just getting started, though, as *Beyond Desire* cast her as a call girl who jumps in for some white-hot bedroom antics with an ex-con Elvis impersonator. Even her big legit break, acting with Jack Nicholson in *The Crossing Guard*, had Kari cast as a stripper who couldn't keep her clothes on even when off the stage.

1997 has been a very good year for both Kari and her fans. The hit film *Anaconda* gave Kari her widest exposure yet, even though she stayed (scantily) clad throughout the giant-snake film. Kari also provides her own biggest

(Above) Kari was in a swinging mood at the *Anaconda* premiere. (Below) In *The Crossing Guard*, she played a stripper who couldn't keep her clothes on while off stage.

The 1994 sexual thriller *Boulevard* gave Kari a chance to show how good she can be at making fuck faces. The movie featured Wuhrer getting laid by both Lou Diamond Phillips and Rae Dawn Chong.

exposure in the direct-to-video *Sex And The Other Man*. This dull stage-bound drama is a complete waste of time, but tapes should still be flying off the video-store shelves once words gets out about Kari's wild simulated fuck scenes. Fans will also want to check out her outdoor nudity in *An Occasional Hell*, another direct-to-vid feature that gives Kari the chance to work with reasonably respected actor Tom Berenger.

Since her tough-girl character on *Sliders* wears tight t-shirts, it seems there might now be a whole new generation of teens lining up to see Kari take off her clothes far into the next decade. ■

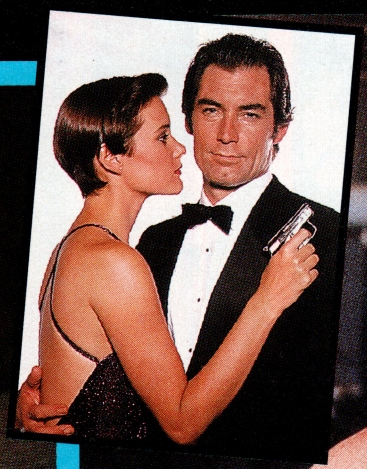
Carey Lowell



Peter Weller helped Lowell try her hand at hot and steamy sex scenes in *Road To Ruin*.

By the time she graduated high school, Carey was already posing for clients like Calvin Klein and Oil of Olay. And though she always claimed to be more interested in getting her college degree, Carey followed up her role in *Club Paradise* with a few lead roles in low-budget films. Then she nearly sunk her rising career by starring in one of the lousiest movies of the '80s. *Me & Him* was a notoriously unfunny comedy about a guy who carries on conversations with his penis, and this dick flop was a total disaster for everyone involved. But at least the film allowed Carey to meet her future (and ex-) husband Griffin Dunne, who must have heard his own giant hard-on screaming, "Marry that fine piece of ass!"

Amazingly, Carey survived that disaster to become a Bond girl in *License to Kill.* Too bad it was in such a minor Bond film, with Timothy Dalton stepping in as James Bond for the first of two times. Upon the movie's release, Carey caused a mild stir by breaking a long tradition and refusing to pose nude for *Playboy*. But, as seen by the many hot modeling shots here, the issue was probably more about money than modesty. Lowell finally proved her willingness to strip on-screen in *The Guardian,* where she played a mom whose child is threatened by an evil Druid nanny. The film bombed, but only because most of the audience didn't know that the gorgeous Carey displayed her perfect breasts in one hot bedroom scene. Bigger Hollywood projects beckoned, but she was reduced to being dull secondary love interests in films like *Sleepless In Seattle* and *Love Affair.*

Before she made a name for herself as a tough, but hot DA on NBC's *Law & Order*, Carey was a model who showed off more than clothes. (Inset) She had her first break in the James Bond flick *License To Kill*.

Tired of career stalling, Carey finally landed some proper recognition with a regular role on *Law And Order.* This acclaimed NBC crime drama has finally given Lowell some credibility, since she works with actors who are considered to be some of the finest in prime time. Of course, she also ruins the series' careful sense of authenticity by looking more like a gorgeous fashion model than an assistant DA. Her conservative outfits on the show even tend to regularly feature plunging necklines. For fans of quality television, Carey Lowell remains one of television's most refined sex-bombs. ■

Steve didn't like it much when Toni first showed up for work. Truth is, he just didn't think a lady construction worker would be able to hold up her own end. But as he watches Toni's perfect ass straining at her tight jeans, Steve decides that he's willing to hold up Toni's end for her. Turns out that all the sweating has gotten Toni pretty wet between the legs, and she's more than ready to lift Steve's tool straight out of his jeans. Steve starts doing a little hammering between Toni's thighs, and it doesn't take long before the sexy babe starts creaming all over his blue-collar dick. These hard-working laborers are actually ready to keep on fucking from there, but union rules say that it's time to break for lunch.

Lust in the Dust

She wore a yellow ribbon, and not much else when she entered the HIGH SOCIETY offices. Josie then made us a simple offer: Follow her back to the old homestead in Texas, and she'd be willing to show off her body just like the big-city porn models. We took one look at that shapely ass and trimmed pussy, and figured it was time to head West. You can see that this horny cowgirl gives it her all once she starts to strip. It turns out that Josie has been giving those big-city porn models a lot of thought, and she's dripping at the idea of joining their ranks. She's no outlaw, but Josie wails with pleasure as she ends up working her hot cunt into a frenzy. It doesn't take long at all before super hot-looking Josie cums with her boots on.

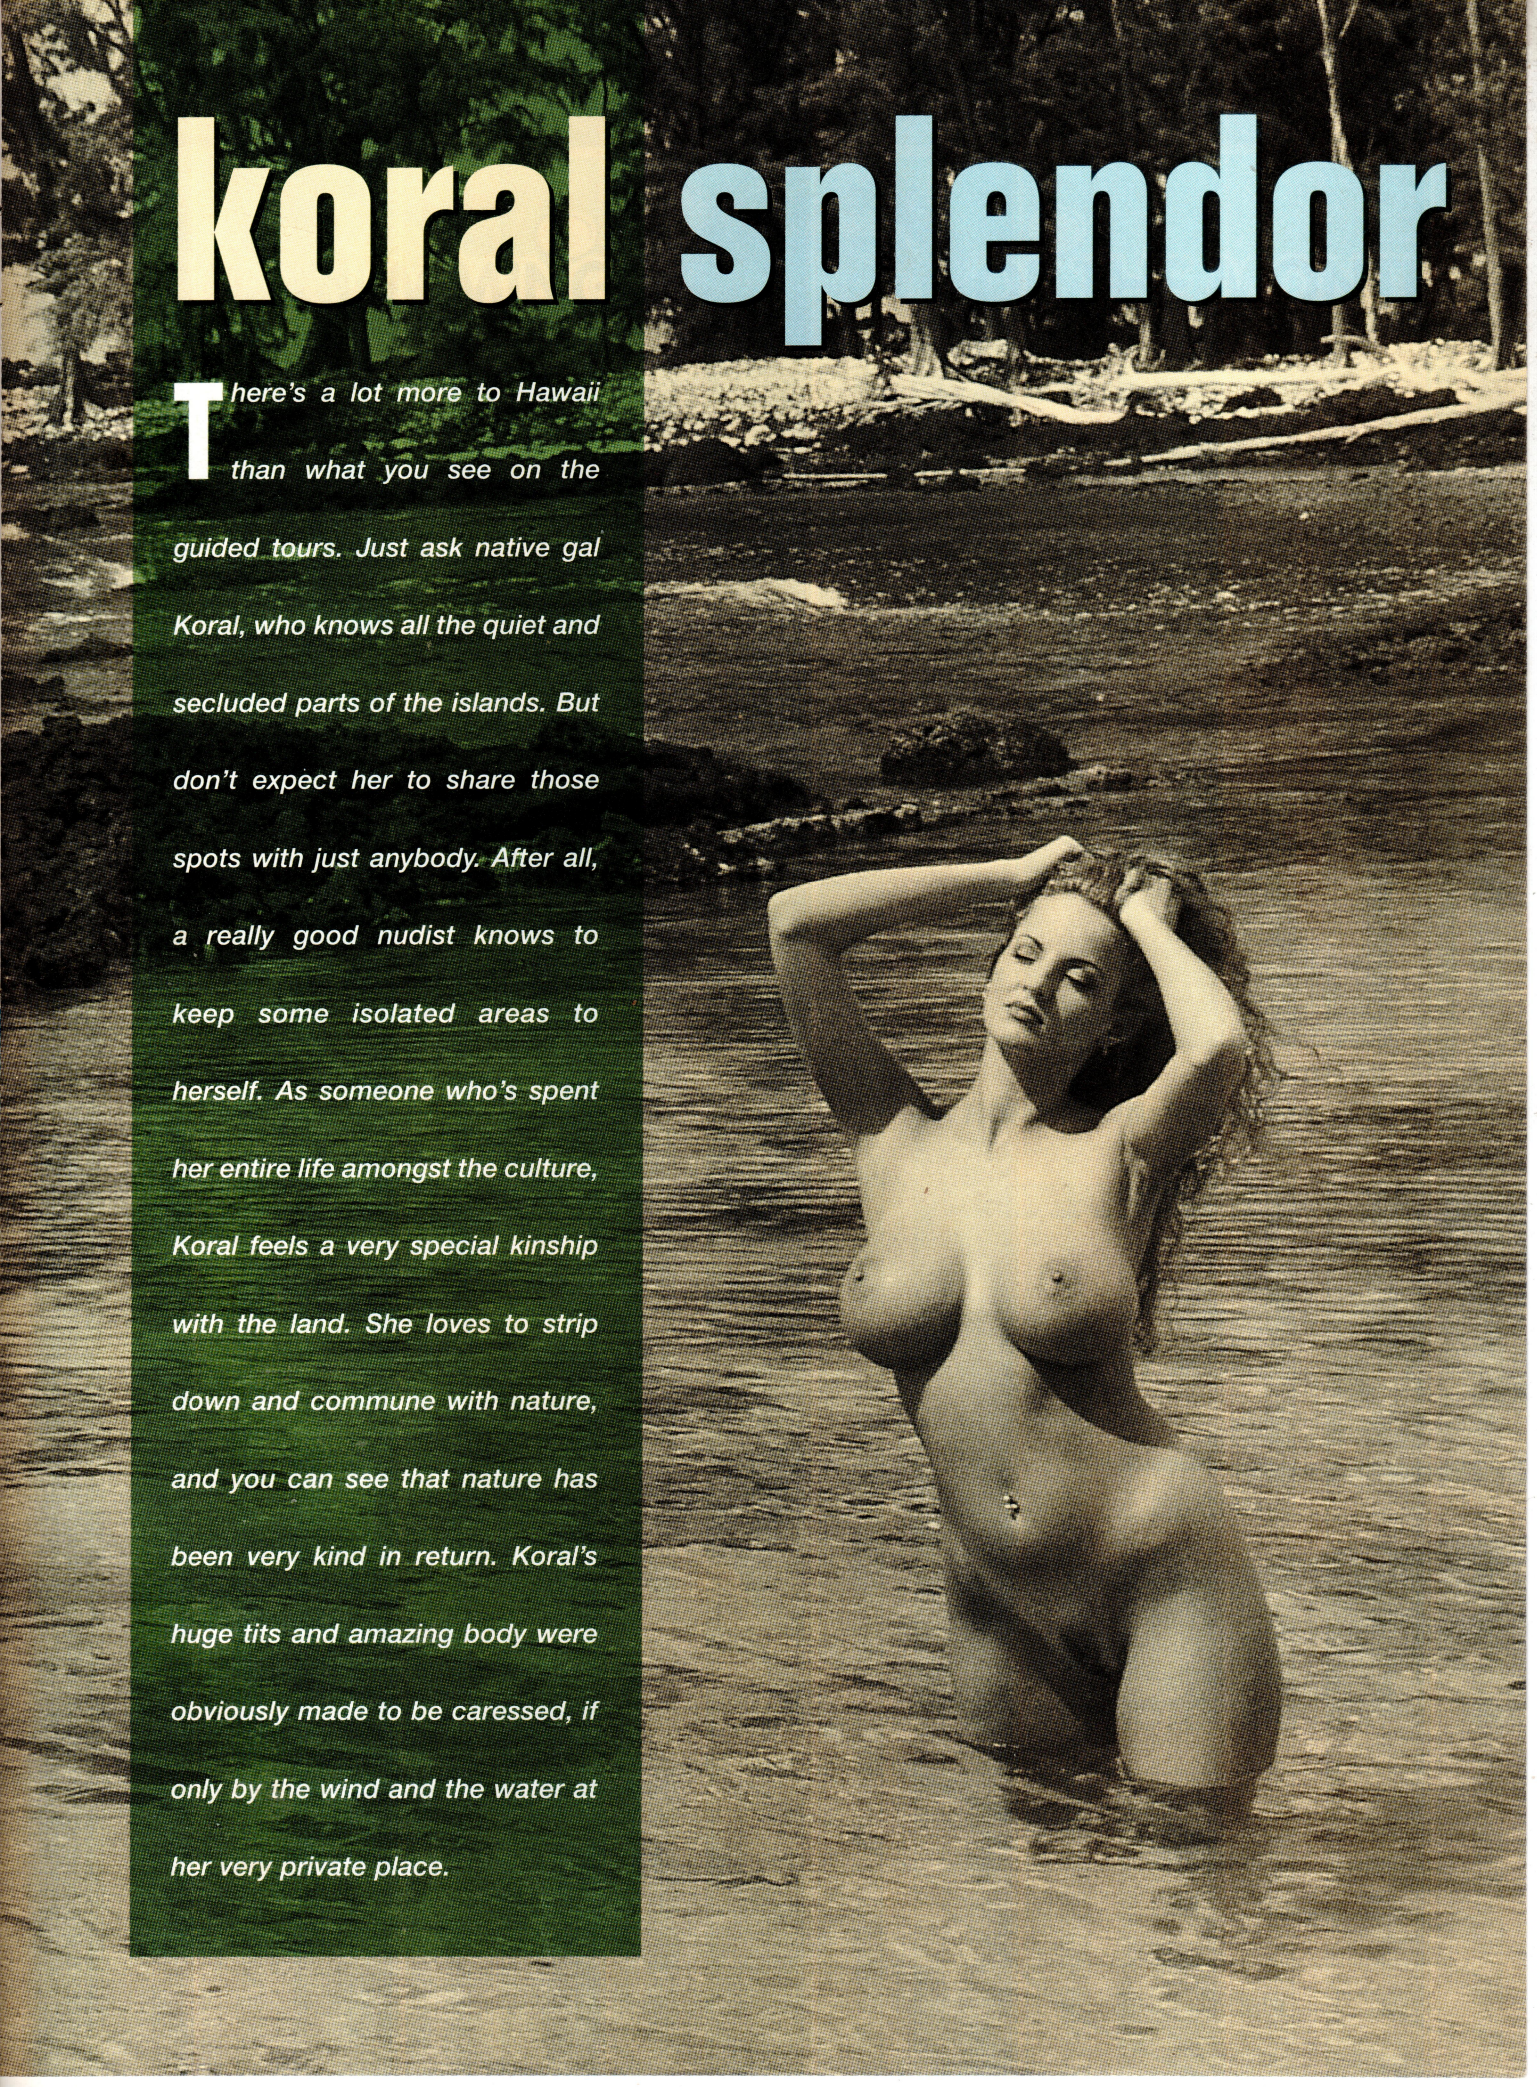
koral splendor



There's a lot more to Hawaii than what you see on the guided tours. Just ask native gal Koral, who knows all the quiet and secluded parts of the islands. But don't expect her to share those spots with just anybody. After all, a really good nudist knows to keep some isolated areas to herself. As someone who's spent her entire life amongst the culture, Koral feels a very special kinship with the land. She loves to strip down and commune with nature, and you can see that nature has been very kind in return. Koral's huge tits and amazing body were obviously made to be caressed, if only by the wind and the water at her very private place.

As the morning sun pours into Sophia's elegant Southwestern home, the blonde beauty often finds herself compelled to enjoy some serious nudism as she lounges around her living room. In fact, it seems that Sophia barely gets dressed some days before she starts stripping off all her clothes. As the steady beat of the rays heats the area between her thighs, Sophia spreads her pussy and begins to heat herself up, as well. This little ritual leaves Sophia feeling nice and refreshed, but her horny neighbors who are always looking in are left exhausted.

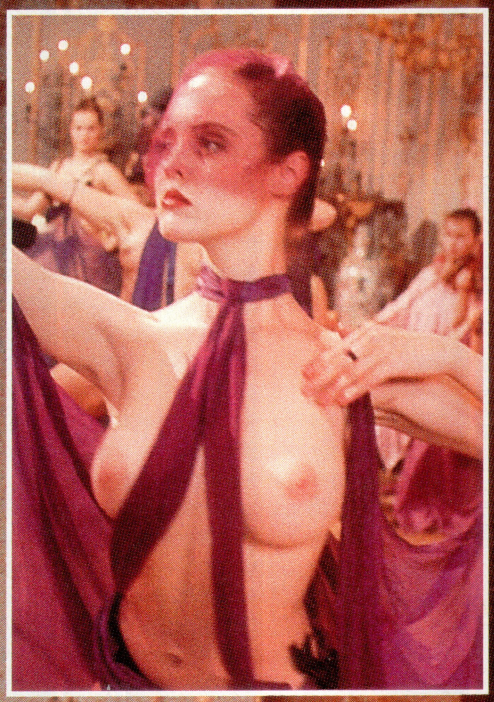
Attack of the Scream Queens

On The Set Of Bram Stoker's Burial of the Rats

She started out as a former Miss Quebec, but now Marie Laurin is a regular fixture in assorted Hollywood films—especially ones with pretty low budgets.



Maria Kvartalova is a highly-trained dancer in Moscow, but this lovely young talent was willing to do some less traditional steps for the chance to star in a great American film.

Veteran actress Adrienne Barbeau spent her early years showing off her massive tits, so we'll settle for the tight gowns she wears as The Queen in **Burial Of The Rats.**

Every October, the HIGH SOCIETY staff goes looking for a horror film to play on the video monitors for our big Halloween party. It has to be a simple film, with a plot that can be followed even with the sound turned off. It also, of course, has to have plenty of beautiful naked women with really big breasts. We found the perfect film for this year's Halloween debauchery with *Bram Stoker's Burial Of The Rats*. Originally made in 1994 for the Showtime cable network, and now available on New Horizons Video, this film has over 30 luscious naked Rat Women. In fact, this film has the most beautiful Rat Women we've ever seen!

Producer Roger Corman sent a crew over to the frozen climes of Moscow to do some low-budget filmmaking for this big-titted project. Fortunately—as you can see from these shots—director Dan Golden discovered all kinds of local talent in the Russian capitol. The sexy ladies of the Russian theatre were all thrilled to help make some grand American schlock. As a result, *Burial Of The Rats* is filled with plenty of stripping and cavorting by all kinds of gorgeous Russian babes. They may have gotten minuscule billing, but we were very impressed by the proud Stalinist bods of Maria Kvartalova, Natalya Ryzhikh, Tatiana Alekseenko, and the sister team of Elena and Natalya Yudina. Back in Los Angeles, Golden then added a few additional Rat Women like veteran B-movie siren Marie Laurin.

American actor Kevin Alber stars as "Bram Stoker," a whiny writer who gets abducted by masked highwaymen after he fatally shoots one of their accomplices. His presumably-male captors then turn out to be two gorgeous babes who belong to a secret society of women. Anna is ready to blow Bram's brains out, but beautiful blonde Madeleine gets all googly-eyed. She stops her lesbo lover from pulling the trigger, and convinces Anna that it will be more fun to take Bram to the castle of their sadistic Queen.

As the self-proclaimed Queen of Vermin, Adrienne Barbeau oversees a bevy of scantily-clad beauties. She also oversees her own declining career, since this aging actress is far from her glory days on the '70s sitcom *Maude*. But this 52-year-old bombshell still has her massive tits, even if this movie settles for a brilliant display of cleavage.

It turns out that gorgeous big-titted dames aren't the only subjects of the Queen. She also commands a bunch of man-eating rats, who gather to dance at her feet whenever she pulls out her flute. She's a pretty demanding bandleader, too. When one rat dances out of step with the

others, the Queen hauls out a cute little guillotine and lops off the rodent's head.

Everybody seems to find all this amusing, except for Bram. He's been thrown to the ground with the rats, and he's getting his ear gnawed like Evander Holyfield in a title fight. The poor schmuck even thinks it's good news when he hears The Queen announce, "One woman, one blow." Unfortunately, she isn't referring to oral sex. Bram ends up suspended over a pit full of the hungry rats, while the ladies line up to swing a hammer that will send him to his death. But Madeleine refuses to deliver the final stroke—perhaps because she wants to do some private stroking later on.

Madeleine's nice-gal act pisses off Anna, but the Queen decides that Bram doesn't have to die right away. Before long, the clever fucker has convinced the Queen to keep him alive so that he can write about her magnificent war against men. He's also cleverly fucking Madeleine, after he proves his trustworthiness by helping out in a raid against a church run by lecherous priests. The jealous Anna is still suspicious, though. She even makes a good point when she shouts, "A man will say anything to get his way!"

Madeleine gets arrested during an assault on the local whorehouse, and Bram volunteers to help the Rat Women in rescuing her. This is a raging success, except that it allows the local cops to finally discover where the Rat Women live. The police storm the castle, and start emptying their guns into the beautiful broads. Barbeau declares, "Better to be taken by rats than by men!" Then she breaks her magic flute in half, which signals a squadron of rats to come scattering up her skirt.

If any guy had ever eaten The Queen half as lustily as these rats go after Her Majesty, then she would have never even started to hate men. Meanwhile, Madeleine is trying to escort Bram out of the castle. That jealous bitch Anna shows up, and decides that Madeleine is a traitor to the Queen's cause. Madeleine runs a phallic sword through Anna, and then the corrupt local police chief shoots Madeleine.

Bram carries the wounded Madeleine outside, only to have her die in his arms. This would probably be a touching cinematic moment, if all the events leading up to it hadn't been so goofy. Instead, the home viewer will just figure that Madeleine's death is ultimately for the best. After all, you can take the girl out of the rat-ridden lesbo paradise, but you can't take the rat-ridden lesbo paradise out of the girl.

Does she have a Rat Sister? In the case of Rat Woman Elena Yudina (above), the answer is yes! Her sister Natalya (left) took time out from her busy Russian modeling career to lend a family feel to the film.

Killer Bodies

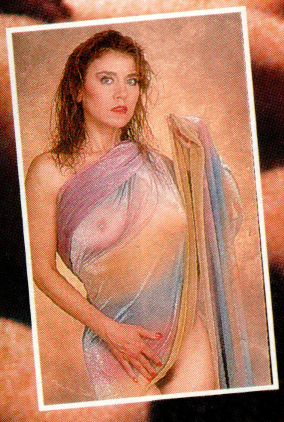
You May Not Know Their Names, But You Can't Forget Their Tits!

Chrisstyn Dante

Crisstyn Dante is the perfect example of the underappreciated horror heroine. This stacked beauty has constantly shown her nude form as a body double in '80s fare like *Phantom Of The Mall: Eric's Revenge* and *Nightmare On Elm Street 5: The Dream Child*. But Crisstyn also did some actual acting in the low-budget slasher film *Twisted Nightmare*, where she put her own face to her fine naked body.

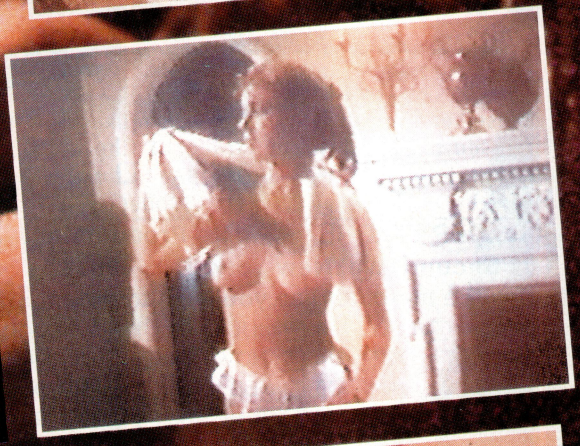
Melissa Moore

Melissa Moore has been a popular presence in many direct-to-video movies, but mainstream films still ignore her natural star power. She exposed her cute bod in *Sorority House Massacre 2*, *Vampire Cop*, *Repossessed*, and—most memorably—as a bubble-brained sex goddess in *The Invisible Maniac*.



Deborah Dutch

Deborah Dutch is one of the more reliable bimbo stars left in Hollywood. Nobody's out to give her any leading roles, but she's ideal for whenever a film requires a victim with huge knockers. She's been in movies like *Death Dancers* and *Lights, Camera, Action, Death*, but her nude high point has to be her sexy bathtime striptease in *The Haunting Of Morella*.



Nikki Fritz

Nikki Fritz is always ready to step in with her massive breasts to liven up any film. She's unveiled her mammoth mammories in works like *Beach Babes From Beyond*, *Dinosaur Island*, and *Terminal Virus*. We especially like her wordless role in *Attack Of The 60 Ft. Centerfold*, where she touts a shotgun as the ultra-jealous companion of a sleazeball porn-mag publisher.

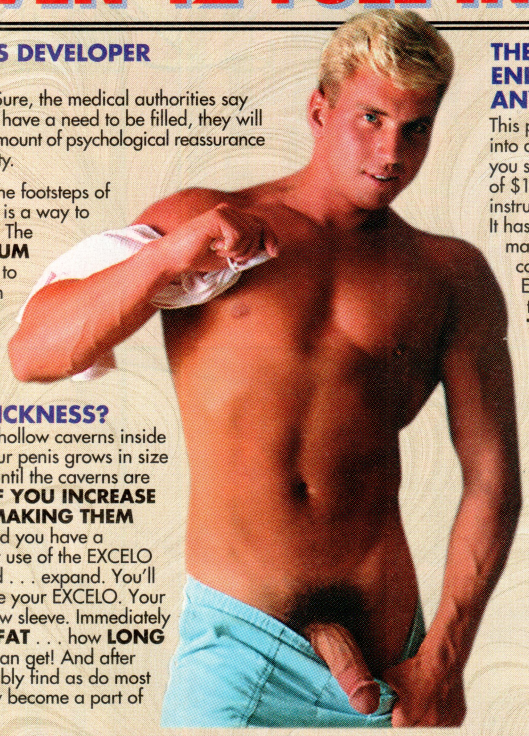
ENLARGE YOUR PENIS TO ITS MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!



THE EXCELO IS THE ONLY PENIS DEVELOPER YOU WILL EVER NEED!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count; but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to **INCREASE PENIS SIZE** and **THICKNESS!** The device is call the **EXCELO ELECTRIC VACUUM ENLARGER**. A safe and proven natural way to add inches to penis length and thickness. With the EXCELO, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE EXCELO ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. **BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD** and you have a correspondingly longer, thicker penis. Regular use of the EXCELO gently urges the caverns to expand . .. expand . . . expand. You'll see the astonishing results the first time you use your EXCELO. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG** . . . how really **FAT** . . . how **LONG** . . . how **HARD** and **STIFF** your own penis can get! And after regular sessions with the EXCELO you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

THE EXCELO IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of $100 – the EXCELO is "quiet as a whisper." This sophisticated instrument is by far the state of the art in penis enhancing machinery. It has taken time, money and first-class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. And, of course there are two other models available- to fit any budget. The EXCELO is a finely crafted precision instrument designed to create the vacuum needed to make the male organ **LONGER** and **THICKER**. If you are truly serious about penis enlargement – the EXCELO will do the job for you!

THE ONLY SYSTEM THAT OFFERS AN EASY "HOW-TO" BOOK FOR THE MOST COMPREHENSIVE INSTRUCTION POSSIBLE!

Other so called enlargement systems might offer a shoddy, pieced-together hodge-podge book to show the product in action. NOT OUR SYSTEM. Our book was produced by the manufacturer of the pump, designed to get you BIG and HARD in the shortest time possible!

ALL THIS . . . WHAT MORE COULD YOU ASK FOR? HOW ABOUT A PRICE THAT IS POSITIVELY UNBEATABLE?

First of all, if you could even find a system that offers you all the EXCELO System does, you'd easily be prepared to pay hundreds of dollars for it. That's why our system is a truly unbelievable bargain at the prices offered.

3 MODELS: ONE TO FIT ANY BUDGET, ANY REQUIREMENT

NOTE: All pump models include FREE "MAXIMUM GAINS" instructional manual at no extra cost.

Our most popular model. Rugged, sturdy construction for years of use. Universal sleeve at base accommodates any size penis. Durable, direct manual action activates pump and assures total control. Utmost pleasure combined with maximum results! Super-suction power for fast response. Unique multi-speed vibro-action makes enlargement as pleasurable as can be. Special "Love Gripper" base snuggles around penis & was modeled after a woman's hot mouth. *Only* **$19.95**

Our finest, state-of-the-art model for erection building and control. Silent, powerful electrically operated pump allows for effortless operation. Vacuum draw is gradual for safety and complete control, can be shut off instantly. Includes step-by-step instruction manual. Millions sold at $89.95 or more. *Only* **$33.95**

MAINTAIN YOUR ERECTION FOR AS LONG AS YOU WANT!

The amazing new Prolong Ring is a marvel of engineering. Quite simply, it allows you to stay as hard as you want, as long as you want! When your erection is as big and hard as you can make it, slide the ring on. The open ended design fits any size penis. It fits at the base of the penis shaft, where it does the job thoroughly, discreetly, undetected. It never interferes with stroking action – EVER! Watch your penis jut up and out – and stay that way until you release the ring! Imagine lovemaking when you have the confidence of complete erection control literally at your fingertips!

Only **$12.95**

Lipstick Lesbians

Beautiful brunette Rebecca is married, but she still finds time to relax at home with her buxom blonde pal Jennifer. In fact, they get together at least twice a week to go over "girl things"—like each other's big tits, succulent cunts, and gorgeous long legs. Jennifer is always ready to help her friend with a little sexual stimulation. After all, she used to worry that their romance had ended with the last bit of cunt-lapping they worked in right before Rebecca's wedding. But now the two are very pleased that nothing has changed, except that Rebecca has to remember all the details to pass on to her husband!

CLAUDIA'S SECRET

There are a lot of hot babes willing to get out of their clothes, but some don't always care to strip all the way. Claudia, for example, has a real love for soft, slinky things that caress her breasts, legs, and sweet slit. And since there isn't always a pair of manly hands around to do the job, Claudia often relies on her hot wardrobe to keep her cumming. She knows just how to swirl the fine fabric around her long legs to get her cunt dripping. When Claudia can't stand the gentle strokes anymore, she finally leans back and lets her delicate fingers bring herself to an explosive orgasm.

Jack had no idea that there would be so many distractions when he began managing the local gym. Nobody told him there was a X-rated movie studio right next door, and that Jack's gym had become the favorite hang-out for horny porn stars killing time between on-screen workouts. When Vicka sees Jack helping out Shyla with her handweights, Vicka decides to strip down and show Jack what a real pumped-up body looks like. Shyla turns out to be as impressed as Jack is, and clothes are soon being shed like so many unwanted pounds. Jack resigns himself to another hot afternoon of serious fucking, coming to a climax when he power-lifts a load of hot cum all over his young workout partners. At this rate, he'll never get around to restocking the towels!

TALK LIVE TO A HIGH SOCIETY GIRL

Call: 1-900-993-9449
Must be over 18. $3.99 a minute

Taylor wants to talk to you LIVE on the phone. You can reach this hot young lady directly by dialing our TALK LIVE number. THIS IS NOT SOME TYPICAL PHONE SEX LINE—you'll actually speak to Taylor in person. Be sure to ask for Taylor when the operator answers. This horny vixen wants to hear you get off while she fingers herself into a frenzy. If you think you've got a dirty mind, then just wait until you hear what this sexy slut dreams of doing!

Ask For Taylor

We usually avoid washed-up models here at HIGH SOCIETY, but we were very happy to find young Taylor on the beach. This California blonde's first fuck was in the sand. Now, she still can't get enough of rolling around on the beaches of her native state. As the sun bleaches her hair and other things on the shore, Taylor reaches between her legs and feels the calming rays on her sweet pussy. The sound of crashing waves is soon joined by Taylor's moans of pleasure, as she enjoys yet another fabulous orgasm surfside.

Number One Bestseller Worldwide! WHY? Simply Because:

- **It's The Most Effective** You can *LENGTHEN, THICKEN and STIFFEN* your penis to startling new proportions *IN HALF THE TIME, WITH HALF THE EFFORT!* Get erect measurements of *9, 10 YES!! - even 12 FULL INCHES!*
- **It's The Finest One Made** The best materials, hand-constructed, engineered design, featuring the *patented SUPRA VALVE and SENTRY Prolong Ring.* Nobody else has it - at *any* price!!
- **It's Easy To Use** Our system doesn't include complex instructional "magazines" or videotapes. *Why?* Because with *our* system, you don't need them!! Our system is so simple to operate, you don't even need to use both hands!!
- **It's The Most Affordable** We have a pump for every budget, even ones *as low as $14.95!!!* All made in the USA featuring the same quality construction and reliability that has become our trademark worldwide.

That's Why We Say... THE SUPRA-12 SYSTEM IS AS EASY AS 1-2-3!

NO SYSTEM IS FASTER - OR MORE FOOLPROOF!

It's impossible to fail using the SUPRA-12 SYSTEM to increase your genital measurements. With the help of the SENTRY PROLONG RING and medical research has proven that *only* a prolong ring can maintain an erection, enlarging your penis and maintaining the new, thick and long dimensions becomes effortless!

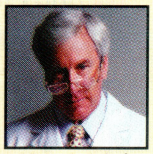
CAN THE OTHERS OFFER A GUARANTEE LIKE THIS?

You are about to make a very important decision. It's your hard-earned money – why not use it to purchase the best system money can buy. We are so confident, we'll make the following guarantee: Place the SUPRA-12 next to ANY vacuum pump on the market and you'll instantly see the difference. In fact, we're so sure you'll agree that it's the finest pump made that we'll offer this ***DOUBLE THE DIFFERENCE Guarantee:*** If you purchase any pump from any manufacturer, that can equal ours in features and service, but at a lower price, we'll refund *double the difference* - no questions asked!

ACKNOWLEDGED SAFE AND EFFECTIVE... AN INCREDIBLE VALUE... 3 MODELS TO CHOOSE FROM!

According to **U.S. News and World Report**, Vacuum Pumps and Erection Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" Similar systems, when prescribed by physicians, can cost between $300 to $650 or more! That's why the SUPRA-12, with the patented SUPRA Valve and SENTRY Prolong Ring, is such an incredible value!

There is a man behind SUPRA-12... Lee J. Conner



M.A. & B.S. in Electrical Engineering

ALL PUMPS DISCREETLY SHIPPED VIA **FEDERAL EXPRESS or PRIORITY MAIL***

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis **increases in diameter and thickness.** By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in **A DRAMATICALLY LONGER, THICKER ERECTION.** Users of SUPRA-12 say they're **"truly astounded"** when they see their penises reach **startling new proportions** inside the chamber of the SUPRA-12. **And you will be too!**

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... *keeping it* is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time.** Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards – no more – no less. And with the SENTRY Prolong Ring, you **can stay as hard as you want, for as long as you want.** The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining **your dynamic "super erection"** indefinitely, but never interfering with your pleasure - EVER! *You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry* ***GIVES YOU COMPLETE ERECTION CONTROL!***
